How to reach us

From either north or south use the Brennero motorway (A22) and exit at “San Michele Adige” and from there head towards Val di Non, reaching Cles (25 km) and the square with the parish Church on the right.

Just before the church turn right and follow the road to Maiano: after passing the level crossing, take the first right, Via Friena.

After about 200 meters on the left you will see the sign and the big gate of the Farmhouse “Al Cermolo”. A big welcome awaits you!
